KEY ACHIEVEMENTS

- Delivered 65% sales growth and 80% brand visibility through a 9-month integrated launch programme for Hyundai Santa Fe, managing a PKR 31.5M project budget across digital, TVC, influencer, OOH, activation and launch execution.
- Exceeded Future Fest commercial target by selling PKR 23.5M in exhibition space against a PKR 19.0M threshold, while exceeding the target of 3,000 visitors per day.
- Maintained an average +21% annual revenue performance against assigned targets and onboarded 11+ consistent clients during a 6+ year agency career.
- Converted a planned 1-day housing-society musical event into a 3-day carnival format based on location research and local-market feedback, expanding engagement opportunities and sales touchpoints.
- Delivered a nationwide healthcare awareness programme with a PKR 6.0M budget and achieved 27%+ outcomes against agreed campaign results.
- Rescued a DUCAB 46th Anniversary corporate event with only 7 days remaining to execution; solved venue, manpower, technical, production and build-up constraints, contributing to a subsequent 3-year client contract.

PROFESSIONAL EXPERIENCE

ELEGANT QUBES | *Senior Manager – Business & Project Management* | Jun 2025 – Jul 2026

- Led business development, client servicing and project management for corporate, industrial, security and engineering-focused accounts across the UAE.
- Won and managed accounts including AJ Steels, Dräger and Gallagher Security, expanding the client portfolio across industrial, healthcare and security segments.
- Managed client discovery, solution development, proposal presentation, commercial discussions, project planning, execution coordination and post-delivery relationship management.
- Directed cross-functional collaboration across design, production, procurement, vendors and operations to deliver projects within agreed scope, timelines and quality standards.

FREELANCE PROJECT — DUCAB 46th ANNIVERSARY | *Project Lead / Marketing & Event Execution*

Dubai, UAE | Corporate Event

- Took ownership of a corporate anniversary event with only 7 days remaining before execution at Jebel Ali Resorts, rapidly mobilizing labor, technical drawings, venue approvals, production requirements and build-up extensions.
- Resolved critical venue constraints including uneven ground conditions and two large palm trees obstructing the stage-side setup; coordinated practical production and spatial solutions to keep delivery on track.
- Managed production, technical, venue and on-ground stakeholders under severe time constraints; successful execution strengthened client confidence and contributed to a subsequent 3-year contract.

WEWILLBE EVENTS & EXHIBITIONS | *Sales & Project Manager* | Jan 2024 – May 2025

- Managed B2B sales, client acquisition and end-to-end project delivery within the UAE events and exhibitions market, connecting commercial requirements with creative, production and operations execution.
- Built and managed client relationships across defense, IT, agriculture/livestock and diversified sectors, including Streit Group, TP-Link, Al Dahra and Bristol.

- Led prospecting, client meetings, requirement discovery, proposal/pitch development, commercial negotiation, project handover and account servicing, supporting repeat business and long-term relationships.
- Coordinated internal teams and external suppliers across design, production, fabrication, logistics and on-site execution while controlling scope, timelines, quality and client expectations.
- Strengthened the company's UAE market presence through cross-industry client acquisition and consultative project selling, translating client business objectives into event, exhibition and brand-experience solutions.

BLACK DIAMOND MEDIA SERVICES | *Head of Marketing, Business Development & Project Management* | **Sep 2017 – Dec 2023**

- Led Marketing, Business Development and Project Operations across in-house and on-ground teams, owning the full client lifecycle from prospecting and pitch development through campaign strategy, production, execution and post-project ROI analysis.
- Managed monthly, weekly and daily BD targets; built performance dashboards and market-feedback reports from client reviews, sales trends and field intelligence to inform campaign strategy, content, TVC, OOH and activation planning.
- Built and maintained senior client relationships with stakeholders and C-level executives; led requirements gathering, commercial negotiations, budget discussions, timelines, risk escalation and project governance.
- Generated an average +21% annual revenue performance against assigned targets and onboarded 11+ recurring clients, including Hyundai by Nishat, Etihad Town, Packages Mall, MG by SAIC Motors and Tim Hortons Punjab.
- Led cross-functional delivery with Marketing, Creative/Design, 3D, Production, Procurement, Finance, IT and Operations teams, plus outsourced vendors and facilities/logistics partners.
- Owned web and SEO management for the agency and client accounts, alongside social media strategy, campaign planning, analytics, content direction and digital brand presence.
- Led Hyundai Santa Fe launch strategy and execution across website/SEO, social media, TVC, influencer marketing, brand activation, OOH, sponsorships and multi-city mini-launches; managed PKR 31.5M budget over 9 months and delivered 65% sales growth and 80% brand visibility.
- Directed a real-estate launch campaign that evolved from a 1-day musical event into a 3-day carnival after location research and local audience feedback; developed marketing/sales packages, sponsorship propositions and pre-event demand-generation strategy.
- Led Future Fest, a 10-month technology exhibition + live concert format; managed PKR 14.0M budget, floor-plan planning, social media, TVC, OOH, influencer marketing, C-level interviews, sponsorships and post-event ROI. Exhibition-space sales reached PKR 23.5M versus PKR 19.0M threshold, with footfall exceeding 3,000/day.
- Owned a 6-month nationwide healthcare awareness campaign with PKR 6.0M budget, covering doctor conferences, TVC, social media and promotional communications; achieved 27%+ results against agreed campaign outcomes.
